

BT Business Mobile Broadband

Overview:

You can get unlimited Mobile broadband access for just £15 a month. This special offer price ends on 30 June 2009 and the price changes to £17.50 a month from 1 July 2009 onwards.

Mobile Broadband allows you the freedom to run your business when you're on the move. With comprehensive coverage in the UK (HSDPA, 3G and GPRS) you get quick and easy access to your emails and the internet – just plug and play.

Reasons to have Mobile Broadband:

- Remotely access broadband when out and about
- Remotely access broadband when unable to connect to a fixed broadband service
- It is easy to use and you can get online to surf the web at your convenience
- Helps you stay on top of emails while away from the desk

Benefits of Mobile Broadband:

Work anywhere

- Just plug the USB modem into your laptop and you are connected
- Connect to the web and work from wherever you are – the train, a café, a park

Great coverage

- Includes BT Openzone (Wi-Fi) hotspots and mobile network (GPRS/3G/HSDPA/HSUPA) access
- Our mobile network coverage is extensive and offers speeds up to a staggering 7.2Mbps
- Over 2,500 BT Openzone hotspots to connect to the internet at broadband speed over Wi-Fi

A great compliment to BT Business Total Broadband

- BT Business Mobile Broadband is a great complement to your fixed broadband – so you can be in the office or out and about and always be connected
- Mobile Broadband is in no way a substitute for fixed broadband. Use fixed broadband to make multiple downloads of large files and videos. And use mobile broadband to view, create and send documents on a laptop when away from the office

A qualifying product for One Plan

- Mobile Broadband spend will be eligible and contributory to One Plan
- If you achieve your committed spend, you will receive a 5% discount on total spend with BT

Features of Mobile Broadband:

- Get unlimited mobile data and Openzone Wi-Fi – subject to fair use policy of 3GB data and 4,000 BT Openzone minutes
- Download speeds up to 7.2Mbps
- Available in 12, 18 and 24 month contracts
- Device available: E170 USB Modem

Price:

- Get unlimited mobile broadband for just £15 a month. This special offer price ends on 30 June 2009. The price changes to £17.50 a month from 1 July 2009 onwards
- International roaming is not inclusive in the monthly data and Openzone Wi-Fi allowance. Charges start from £8 per Mb
- The E170 USB Modem is inclusive on 24 month contracts; £60 one-off cost on 18 month contracts and £120 one-off cost on 12 month contracts
